## Booklets, 3 Way Fold and Single Inside Case Inserts for DVD

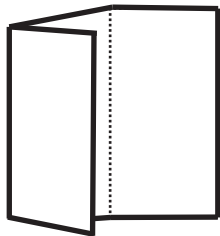

Bright White  
67 lb Matte Vellum Stock  
for Inkjet or Laser printers

**Item #718SP** yields 3 single panel pieces after tearing apart and discarding side edges.

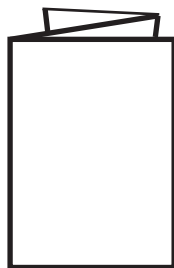

These inserts are a perfect fit for the inside literature holder clips in DVD cases. Just fold on the scores or clean edge perfs, tear apart if necessary and you will have a professional looking inside graphic insert for your project.

**Item #466FSP** yields 2 pieces - A folded "booklet" and a single tear away piece (postcard or warranty) attached by perforations.

Recommended uses are:

- Instructions
- Photos / Graphics
- Table of Contents
- Registration Cards
- Song Lyrics
- Credits
- Comment Cards
- Advertising

**Item #14ACCF** yields a 1 piece Folded "booklet" in an "accordion" style format or both outside pieces folded in.

The sheets measure 8 1/2" x 14" (Legal size) which is compatible with most graphics software and printers and the single panel insert size is 4 2/3rds x 7 1/8"
